

Contact Hour Tracking Sheet for Aurora Diagnostics Educational Series

Sessions at the Aurora Diagnostics Educational Series have been approved for contact hours by the National Society for Histotechnology (NSH). **NEW! Meeting attendees are responsible for tracking their session attendance and reporting it directly to NSH for contact hour credit.** To track your activity at this meeting use the worksheet below – circle Yes next to the workshops or lectures you attend. Keep this sheet as a reference and as documentation support for your attendance at this meeting.

Session attendance can be recorded immediately after the session ends through NSH’s online Contact Hour Portal: **ce.nsh.org** (instructions are located on the back of this sheet). Attendees must sign in on the State Meeting Roster at check in and complete course evaluations to claim credit through the NSH Contact Hour Portal.

Aurora Diagnostics Educational Series Activity Log for _____(Name)

Date	Title	Credit Hours	Attended Yes or No?
4/9/2013	Genital HPV: What is it and what are the testing methodologies	1	Yes / No
